

Sound Sense

Personalized Music, Powered by You

Accelerometer Powered

Music adjusted based on your movement. Running? Get high-energy beats. Walking? Enjoy a steady, rhythmic playlist. Taking a break? Relax with calming tunes. It's your personalized soundtrack, adapting to every step, so your day is always in sync with your music.

Location Based

Wherever you are, SoundSense curates music to match the vibe of your location. In Paris? Enjoy romantic, soothing melodies. In India? Feel the energy with upbeat Bollywood hits. Every country brings its unique sound to your playlist.

Weather Synced

Playlists that match the weather around you. On a rainy day? Relax with mellow, soothing tunes that set the mood. When it's sunny, enjoy upbeat, energetic tracks to elevate your spirits. Your music effortlessly changes with the climate, keeping you in sync with the world around you.

Can't decide what to listen to? Don't worry, we've got you covered. We create personalized playlists by combining all this information—your location, activity, and weather. The result is truly customized music, tailored just for you, and perfect every single time.

What's better? We're integrated with Spotify, so you can directly play the music on Spotify!

Liked the suggestion? Save the playlist so you can always return to that exact moment with your personalized music playlist.
